16. O&B has served as Puerto Rico counsel for the Oversight Board, who as the Debtors' representative in these restructuring cases, defends their respective rights and interests in the multiplicity of litigation attacking the certified fiscal plans for the Debtors and their respective restructuring efforts in accordance with PROMESA, and engages with creditors and other stakeholders on alternatives for a Title III plan of adjustment. O&B has worked closely with Proskauer Rose LLP ("Proskauer") and other consultants for the Oversight Board in the formulation of the different legal strategies designed to further PROMESA's mandate of returning the Commonwealth to fiscal responsibility and access to capital markets.

17. O&B has worked with Proskauer in, among other things, the following: (a) preparation and filing of pleadings and briefs in litigation matters; (b) preparation for hearings; (c) research laws and jurisprudence, both Federal and local, regarding proposed plan issues, including bankruptcy, U.S. and P.R. Constitutional issues; and (d) performed other professional services as described in this Application and reflected in **Schedule 3** and **Exhibit B**.

18. O&B seeks an allowance, pursuant to the Interim Compensation Order, of \$310,184.10 as compensation for professional services rendered and \$7,080.85 as reimbursement for actual and necessary expenses incurred during the Compensation Period in connection with such professional services. The Application shows that for the Compensation Period in question O&B has applied a 10% discount on the hourly rates of all attorneys and paralegals working on these cases.

19. O&B maintains electronic invoices in connection with the firm's representation of the Oversight Board as representative of the Debtor. Copies of the electronic invoices with respect to the Oversight Board as representative of the Debtors for the Compensation Period are attached hereto as **Exhibit B**.

20. O&B's summary of itemized time records for professionals and paralegals performing services for the Oversight Board with respect to the Debtors during the Compensation Period is attached hereto as **Schedule 1**. During the Compensation Period, O&B billed the Oversight Board for time expended by attorneys based on O&B's hourly rates effective December 1, 2019, for each professional and paralegal as detailed in **Schedule 2**. O&B's rates are revised annually at the end of our fiscal year (November 30). The professional services performed by O&B during the Compensation Period resulted in \$1,299.60 recorded hours by O&B's attorneys; and 61.50 recorded hours by paralegals. Furthermore, **Schedule 3** shows, for each Project Category (as defined below), the total recorded hours for each Project Category. In accordance with Guidelines paragraph C.3, O&B's blended hourly rates are disclosed in **Schedule 1**. The rates O&B charges for the services rendered by its professionals and paralegals in these Title III cases are below or consistent with the competitive market rates in Puerto Rico for bankruptcy matters, charged by the other Puerto Rico counsels who have appeared in these cases.

21. All entries itemized in O&B's time records comply with the requirements set forth

in the Guidelines, including, without limitation, (a) the utilization of what O&B identifies as task codes (each a “Project Category”), (b) a description of each activity or service that each individual performed, and (c) the number of hours (in increments of one-tenth of an hour) spent by each individual providing the services.

**Applicant Statement in Compliance with Appendix B Guidelines C.5**

22. The following answers are provided in response to the questions set forth in Guidelines paragraph C.5:

**Question:** Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

**Response:** Yes. O&B agreed to a 10% discount on the total amount billed in all invoices.

**Question:** If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

**Response:** The claimed fees are not higher than 10% of the budgeted fees for the time period.

**Question:** Have any of the professionals included in this fee application varied their hourly rate based on the geographic location of the bankruptcy case?

**Response:** No.

**Question:** Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.). If so, please quantify by hours and fees.

**Response:** No, the Application does not include time or fees related to reviewing time records or preparing, reviewing or revising invoices in connection with the preparation of monthly fee statements.

**Question:** Does this fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

**Response:** No.

**Question:** If the fee application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

**Response:** Yes, the Application includes the rate increase of our fees as of December 1<sup>st</sup>, 2019, as agreed with the client in the original services proposal and follow-up communications and notified to all Title III interested parties on November 27, 2019 (Doc No.: 9360). Pursuant to the Engagement Letter dated November 23, 2016 between the Oversight Board and O&B, O&B rates are revised annually at the end of our fiscal year (November 30). Such rate increases are based upon such criteria as whether a particular timekeeper has been promoted because of his/her demonstrated skills, whether a particular professional has demonstrated developing skills, experiences, or competency, whether the particular rate is in tune with current market rates, and other similar objective criteria. As a result of such analysis, our effective rates as of December 1, 2019, increased on average \$5.00 per hour per timekeeper, with some limited timekeepers increasing by \$10.00 and many did not increase at all. O&B's rates further increased as of December 1, 2020, but such increase does not have an impact on the Compensation Period object of this application as the increased rates became effective to our Title III billing on July 1, 2021 (Doc No.: 16782).
